# Changing Administrative Settings in Open Cart

In your administration panel, go to Admin > Configuration > Setting in the top menu.

From here, you can edit your store settings.

Store Name: Your store's display name.

Meta Tag Description: Short description and keywords for your page.

Store Owner: The name of the store's owner.

**Address**: The address. Will be displayed on invoices.

E-mail: The e-mail address that will be associated with your website. This will be displayed on all invoices and listed as a contact for customers.

Telephone: Company telephone number. Will be displayed on invoices.

Fax: Company fax number.

Template: Which template the cart will use.

Use SSL: Whether or not your cart will be using an SSL certificate.

Display Parse Time: Whether or not you want the site to display the parse time.

Welcome Message: The text you want displayed on the home page of your cart.
